MEMBERSHIP & PUBLICATIONS FORM

The Autism Society of Nebraska is offering free membership for calendar year 2016. The Autism Society of Nebraska is waiving the \$12 annual membership fee in 2016. While membership in our national organization, the Autism Society of America (ASA), is encouraged; it is not required to be an ASA member in order to become a member of the Autism Society of Nebraska (ASN).

Since 2009, the Autism Society of Nebraska has been distributing information via email through its "Newsgram" publication. Although we strongly encourage everyone to become a member, it is not a requirement to receive the Newsgram.

Since 1976, the Autism Society of Nebraska has served families, autism professionals and individuals on the autism spectrum from all across the entire state of Nebraska. Our statewide membership is critical in helping us serve our constituents in all of our communities.
